NEWS

We had a very successful day at sport on Friday 11th September. Several teams won all their matches which means they qualify for division finals next term. Well done to Boys' Cricket, Girls' Basketball, Mixed and Girls' Volleyball and Girls' Softball. We are still waiting to find out about Lacrosse and Bat Tennis who may still have a chance to play.

Congratulations to the Tournament of Minds team who came second on Sunday 13th September after winning their first round 2 weeks ago. These students have been working hard on their presentations and put in a lot of effort. Thanks to Miss O'Brien for giving up

her time to be with the students each weekend of the competition.

Our excursion to the zoo on 7th September was most enjoyable and the weather was favourable. The students enjoyed roaming in small groups with a supervising adult, listening to keeper talks and asking questions.
